Reinforce outdoor and indoor retail safety with dependable power and connectivity.

The Gridless Sentry helps you put a stop to retail crime in vulnerable locations.

The standard Gridless Sentry kit includes a battery, modem, antenna, and PoE output in one easy-to-deploy enclosure, and can be customized to fit your needs.

Cover 100% of your property.
Get full visibility of your premises and put a stop to organized retail crime and theft, using cameras and License Plate Recognition (LPR) technology.

Lower deployment costs.
Eliminate the complicated and expensive process of protected cabling or trenching.

Deter criminal activity.
Signal to thieves, vandals, and trespassers that they are under surveillance, effectively reducing crime.

Forego financial losses.
Prevent the theft of merchandise and assets, both inside and outside, by surveilling vulnerable locations.

Enhance employee safety.
Monitor employee interactions with customers and other activities inside and outside the store.

Collect evidence from incidents.
Obtain evidence of situations that can be used by law enforcement or for insurance claims.

Protect people and property.
